

Modern Babylon in 3 Parts Chart

History repeats!

We can tell the future by looking at the past. God's people have historically always had three enemies grouped into one confederacy; made up of a singular entity, another singular entity, and a combined or plural entity.

End-time Modern Babylon is made up of three parts too.

<u>Singular</u>	<u>Singular</u>	<u>Plural</u>
Midian	Moab	Balaam Num. 22:4-5 (children)
Edom	Moab	Ammon 2 Chron. 20:10 (children)
Sanballat	Tobiah	Geshem Neh. 2:19 (Arabian tribes)
Edom	Moab	Ammon Dan. 11:41 (chief children)
<u>Hebrew</u>	<u>Latin</u>	<u>Greek</u> Lk. 23:38 (sons of the Ionians)

Hebrew, Latin and Greek above Jesus' cross symbolized the whole world (in 3 parts) being against Christ. Yet, He gets His sheep out of that same whole world.....separates His friends from His enemieswheat from the tareswise virgins from foolish virgins, etc...

Historical Scenarios: two are in the past, one is yet in the future.

1). Ahab	Jezebel	Priests of Baal 1 Ki. 17-19
2). Herod	Herodias	Salome Mt. 14:6-11
3). United Nations	Catholicism	United States Rev. 17

Growth of the Beast:

Revelation 13:2 “And the **beast** which I saw was like unto a leopard, and his feet were as [the feet] of a bear, and his mouth as the mouth of a lion: and the **dragon** gave him his **power**, and his **seat**, and great **authority**.”

Chronology:

Constantine in 330 AD, **Clovis** from 496 to 508 AD, and **Justinian** in 533 were all tools of the dragon, therefore **WERE** the **dragon**, each one doing a part to help the Papal-**Beast** to rise to power in 538 AD. Rome has not forgotten this either. In 1996 Pope John Paul II went to France to celebrate the 1500th anniversary of Clovis’ “conversion” in 496AD.

Clovis ALSO parallels the USA-False Prophet because he forced the rest of the semi-pagan world to put the Papal-Beast power on the throne of "Christendom" back then, like the USA will soon force the U.N. to place the Beast on the throne of the entire world in the future.

<u>Authority</u>	<u>Seat</u>	<u>Power (Rev. 13:2)</u>
533 AD	330 AD	496-508 AD
Justinian	Constantine	Clovis
Names Pope as head of Church.	Exits Rome, leaves power vacuum. The Church steps in.	Dedicates military power against Church’s enemies.

The (healed) Papal Rome, the (apostate) United States, and the (deceived) United Nations will finally combine into a 3-fold union that will constitute the Modern Babylon that will war against God's people at the end of the world.

In the order of Rev. 16:13

<u>Dragon</u>	<u>Beast</u>	<u>False Prophet</u>
United Nations	Papacy	United States
<u>Rev. 17</u>	<u>Dan. 11</u>	<u>Rev. 13</u>

Rev. 17 is primarily about the end-time 10 kings/U.N./**Dragon** power.
Rev. 18 is the final message about that power.

Dan. 11:40-43 is primarily about the end-time Papal/**Beast** power.
Dan. 11:44-45 is the final message about that power.

Rev. 13 is primarily about the end-time USA/**False Prophet** power.
Rev. 14 is the final message about that power.

Historical Scenario 1.

1Ki. 17-19: King Ahab (the State/Dragon), was wrongly involved with an impure pagan woman, Jezebel (corrupt church/Beast), who had controlling influence over him. Elijah (future loyal church) blew the whistle on them. Her helpers (priests of Baal/False prophets), did an entertaining "dance of deception" that deceived the population into believing her religion was safe. At Mt. Carmel Ahab was "converted" back to the worship of God, but Jezebel, [Surprise!] instead of confessing the power of Elijah's God, just wanted to kill him (**Death Decree**).

Historical Repeat; Scenario 2.

Mt. 14:6-11: King Herod (the State/Dragon), was wrongly involved with an impure woman, Herodias (corrupt church/Beast), who had controlling influence over him. John the Baptist-- (Elijah II = future loyal church) blew the whistle on them. Her helper (Salome), did an entertaining "dance of deception" that deceived Herod into believing he was safe in making a rash boast. Herod was "converted" back to the worship of God (sort of) by the preaching of John, but Herodias, [Surprise!] instead of confessing the power of John's God, just wanted to kill John (**Death Decree**).

Future Historical Repeat; Scenario 3.

Rev. 17: The United Nations [the "ten kings who have no kingdom as yet"] (the State/Dragon), will become wrongly involved with an impure woman, Catholicism (corrupt church/Beast), who will have controlling influence over them. Elijah III (future loyal church) will blow the whistle on them. Her helper (USA/False Prophet), is **now** doing an entertaining "dance of deception" (using its economic and military powers) that will deceive the U.N. into making the Pope its leader. The U.N. will be deceived into believing the Pope will fix the Muslim Terrorist problem and make the world safe, but the Pope, [Surprise!] instead of fixing the Muslim Terrorist problem, will just want to kill Sabbath-keepers (**Death Decree**).
