"Connecting Link" prophets change the Focus of Worship:

From the Garden of Eden (flaming sword) — {Noah} — to Altars (flaming)

From Altars — {Moses} — to the Sanctuary & Temple (Shekinah flame)

From the Temple — {John the Baptist} — to Christ in the Holy Place of the Heavenly Temple (Holy Spirit flame)

From Christ in the Holy Place — {EGW} — to Christ in the Most Holy Place during the Antitypical Day of Atonement,
...which ends at the Close of human probation,
when symbolically, the (flaming) Censer of Jesus' mediation for sin is cast down.
